

Thermo Scientific Masterflex® I/P®

Multichannel, Washdown Pumps

Masterflex I/P Series

- Convenient three- and four-channel fixed-speed pumps come complete with pump heads, tubing, and drive
- Use multiple channels to increase your flow rate, or pump different fluids simultaneously from a single drive
- Accept any Masterflex tubing formulation—configure for a broad range of applications, including pumping multiple lines of inks, chemicals, and pharmaceuticals
- Fluid never contacts the pump, so clean up is quick and easy—simply replace the tubing!
- Change flow rate by changing tubing size
- Easy-to-clean, IP55-rated housing—simply hose down after use
- Combination on/off/reverse switch—purge before or after pumping; pump fluid in either direction

I/P 15

Motor rpm	Masterflex® I/P precision tubing sizes		
	I/P 26	I/P 73	I/P 82
180	1.1 (0.3)	2.3 (0.6)	3.7 (1.0)

Catalog number	950-3613	950-3014
Included pump head	Easy-Load®	
Number of channels/pump heads	3	4
rpm	180 (with included NEMA adapter)	
Voltage	115 VAC, 60 Hz	
Speed regulation	±1% (with constant line voltage)	
IP rating	IP55	
Agency approvals	UL, cUL, CE	
Shipping weight	30 kg (66 lb)
