## Pre-Assembled Single-Use Systems

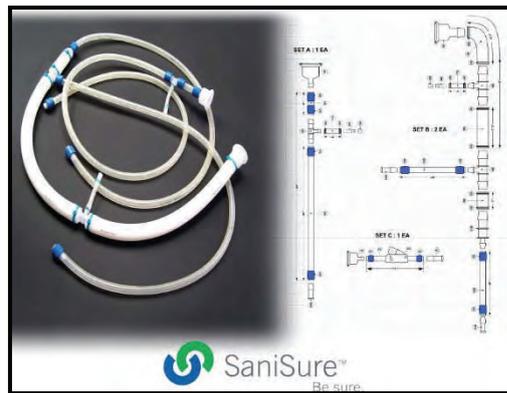

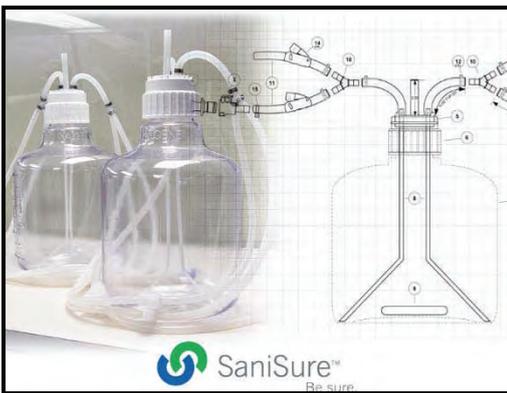

- Reduce Labor Costs
- Reduce Utility Costs

Multiple Solutions.....

Designed From Multiple Product Possibilities.....

Provided Specific To Your Individual Needs

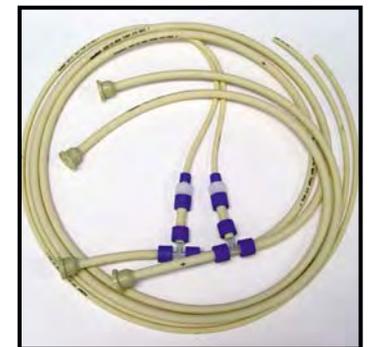

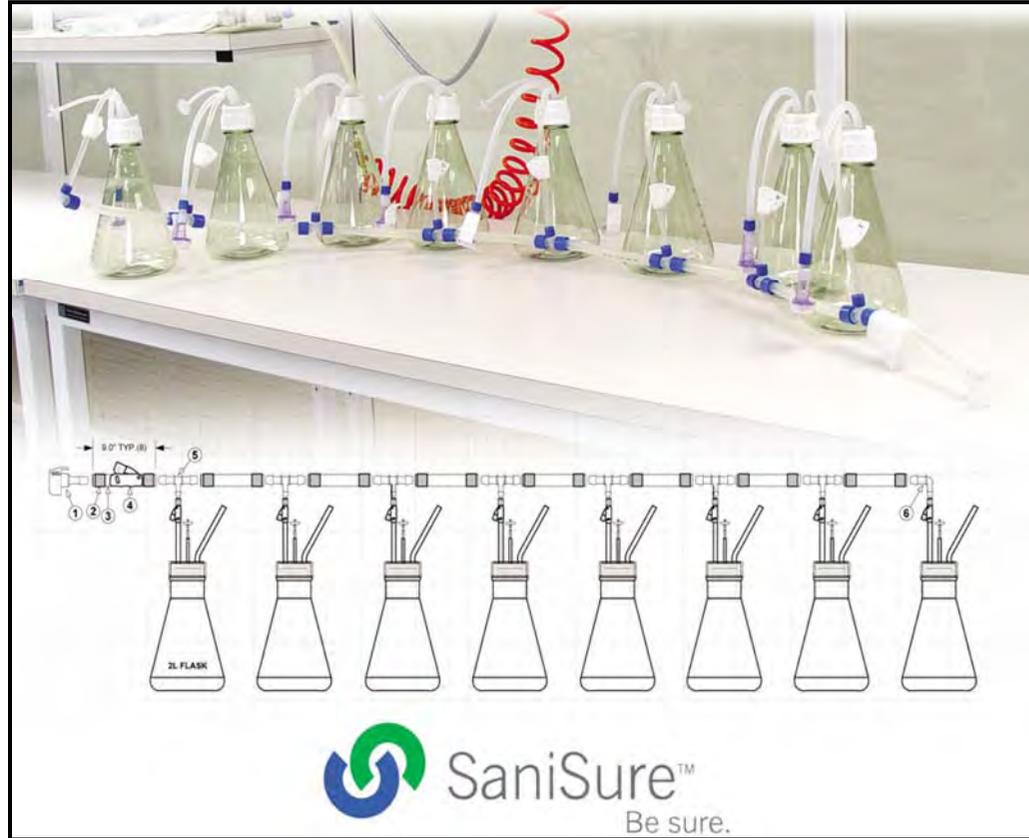

### Our Goals:

- ❖ Assist in providing solutions for our customers; assuring the highest quality standards and product satisfaction in the time frame our customers needs.
- ❖ Offer a mindset focused on our CUSTOMERS' design needs, cost needs and quality needs.
- ❖ Provide the value added service of "smaller orders", built specifically to meet our customers' needs and requirements.
- ❖ Partner with our customers from CONCEPT, to PROTOTYPE to PRODUCTION.....
- ❖ Partner with world class manufacturers and suppliers.
- ❖ Be the first to bring new single-use ideas and technologies to the market place.
- ❖ Understand our customers' needs and help them reduce operating costs and improve production efficiency.
- ❖ Understand the industry's requirement for rapid response to custom needs.

## Pre-Assembled Single-Use Systems

- Reduce Inventory Costs
- Reduce Cleaning Costs

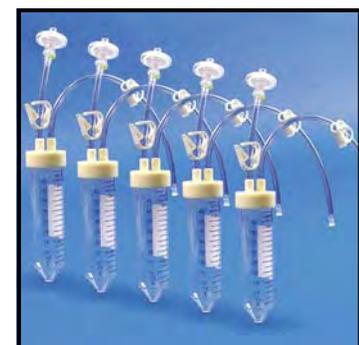

## Assembling CLEAN to meet YOUR NEEDS
